### **About Coastal:**

Coastal Engineering Associates, Inc. (COASTAL), established in 1958, is a multi-disciplinary firm providing surveying, engineering, planning, environmental, and construction management services throughout west-central Florida. Our team is built on delivering practical, cost-effective solutions that work both on paper and in the field.

### **Position Overview:**

COASTAL is seeking a **Drainage / Stormwater Engineer** to join our Civil Engineering team. This role will focus on the design and analysis of stormwater systems for large-scale residential subdivisions, commercial developments, and standalone commercial sites throughout the northern SWFWMD region.

### **Key Responsibilities:**

- Perform stormwater analysis and design for residential and commercial developments
- Develop grading plans for streets, lots, and overall site layouts
- Prepare and manage watershed and basin modeling (StormWise experience preferred)
- Design interconnected pond systems and routing
- Coordinate with utility, roadway, and environmental disciplines
- Assist with Environmental Resource Permitting (ERP) (SWFWMD, local jurisdictions)
- Ensure compliance with State, County, and Local Development Codes
- Contribute to site planning for subdivisions and commercial projects **with conceptual analysis**

### **Qualifications:**

- Bachelor's Degree in Civil Engineering or related field (required)
- Master's Degree (preferred)
- PE License or EIT actively pursuing licensure (required)
- Experience in stormwater/drainage design (required)
- Proficiency in AutoCAD Civil 3D (preferred)
- Experience with StormWise modeling (preferred/strongly desired)
- Familiarity with ArcGIS (preferred)
- Strong working knowledge of Microsoft Office (Word, Excel) and Adobe
- Excellent communication and teamwork skills

This is a salaried, full-time position with core hours from Monday to Friday, 8:00 AM to 5:00 PM. The role includes a comprehensive benefits package, featuring company-paid health insurance, a profit-sharing 401(k) plan, annual performance-based bonuses, paid time off, and holidays, as well as support for professional development and licensing assistance.

COASTAL is seeking team-oriented professionals committed to quality and growth who are eager to work in a dynamic environment—submit your resume to Lindsay Ollier for consideration.
